### Family Law News With Straight Answers

Digital news edition - Vol. 1

Family law deals with family related issues and domestic relations. Most family law practices focus on representing clients in a divorce and the issues related to divorce such as the division of marital property, child custody and support, and alimony.

Family lawyers also draft prenuptial and postnuptial agreements and litigate related matters. Some family lawyers represent victims or perpetrators of domestic violence in civil protection order proceedings and defend clients accused of domestic violence in criminal proceedings. >> [Lawyer Locator](#)
