INTELLECTUAL PROPERTY LAW

Trial Lawyers for Tech Giants and Start-ups

Our legal system provides certain rights and protections for owners of property. The kind of property that results from the fruits of mental labor is called intellectual property. Rights and protections for owners of intellectual property are based on federal patent, trademark and copyright laws and state trade secret laws. In general, patents protect inventions of tangible things; copyrights protect various forms of written and artistic expression; and trademarks protect a name or symbol that identifies the source of goods or services. >> [Lawyer Locator](#)
